SHATTUCK-ST. MARY'S 2015-2016 ANNUAL DONOR REPORT

ALL IN
SHATTUCK • ST. MARY'S

The dictionary defines philanthropy as *the desire to promote the welfare of others, expressed especially by the generous donation of money to good causes. Some synonyms are*

benevolence, generosity, humanitarianism, public-spiritedness, altruism, social conscience, charity, charitableness, , magnanimity, munificence, unselfishness, kindness, kindheartedness, compassion.

The definition and the synonyms speak so clearly of all of you who have chosen to support this wonderful school.

At Shattuck-St. Mary's, philanthropy is embodied in alumni, parents and friends from all over the world. For every synonym listed above there are hundreds of real people listed in this annual report who represent the very spirit of giving. How fortunate we are to be able to say thank you for your unending support, your sustained giving, your belief in your school and all that we are doing here for young people.

Your support touches hundreds of young people, faculty and staff every day of every year and each of them takes that gift far "beyond the Arch." Together, you make the SSM vision a reality. Together, you make the SSM mission possible.

Our Vision

We aim to be a dynamic and diverse school community committed to excellence, integrity and innovation, here and beyond the Arch.

Our Mission

We are a global learning community that honors tradition while embracing innovation. By cultivating creative, independent thinking, we foster the transformation of our students to become citizens of integrity for an ever-changing world.

Thank you.

Sincerely,

Lonnie Schroeder

The Founders Society

The Founders Society was established by the Board of Trustees in 1993 to recognize individuals and families who notify the School that they have designated Shattuck-St. Mary's School as a beneficiary of their will, trust, or life insurance policy. Through this listing, the School recognizes those visionaries who value the education of future generations and honor the ideals of Shattuck-St. Mary's by making deferred gifts.
