

Dear Summer Hockey Camp Friends,

Today, I am reaching out to you on behalf of the entire Shattuck-St. Mary's family to assure you that in times of uncertainty surrounding travel, the safety of our campers, our staff, and our families is our top priority.

As a summer hockey camp, and 6-12 grade school, we are actively monitoring the Coronavirus (COVID-19) and taking measures on a daily basis to ensure that we meet the latest guidelines on safety, travel cleaning, sanitation, and hygiene practices provided by the Centers for Disease Control and Prevention (CDC) as well as the World Health Organization (WHO).

COMMITMENT TO OUR CAMPERS

At this time we are still taking reservations with the intent to hold camp. As we near the date of camp commencement, we will notify all of you regarding cancellations and refunds if or when necessary. We want you to feel safe and at ease when staying with us.

We are very proud you have chosen SSM as a summer hockey camp for your athlete. Our long-standing tradition of exceptional development of hockey players from around the world is something we cherish. Your continued support is greatly appreciated! We look forward to your sons and daughters joining us at SSM after this difficult time.
